Sacramento County

ADDITIONAL ADJUSTMENTS TO NOTE:

- * Cosmetic Rehabs + roof/septic/pool/unpermitted additions – Subtract additional 1-2% per issue*
- * Heavier Rehabs reduce offer by additional 2-3%*
- * Homes over 2,200 sqft reduce additional 2-4%*
- * If property is off market, we typically can push +1%*
- * Adjustment for major street and/or MFR apartments adjacent (LA & OC County) Subtract 10-15% off ARV*
- * Manufactured homes on land need to be 3-5% lower on average for area & must be affixed to land w/ 433A permit*
- * Manufacture homes built BEFORE June of 1976 are automatic pass unless seller financing with great terms is option*
- * Fire Damage/tear downs needs to be 40%- 55% of ARV or under depending on damage level*
- * Single infill vacant lots 20-30% ARV (need to be in median priced neighborhoods)*
 - ** Tenant Cash for keys allocation = SUBTRACT 25K per unit from buy price if LA county (all other counties SUBTRACT 15K per unit from buy price)*

 *Where relationships meet opportunities*
